From the Principal’s Desk

Well done and congratulations on a super successful weekend of fund raising for the school on the weekend. On all accounts both Saturday and Sunday were a huge hit and the catering went exceedingly well. The final amount raised is not yet calculated but it would seem the school has a few pennies to spent on the children. One idea that has been brought to my attention is the need for some computers in the library for students to use while having lessons there during the day. This would enhance their learning experiences and allow individuals to work independently and gain computer skills at the same time. The idea will be discussed at the next P & C.

Congratulations to both our senior girls who represented Jerangle at the District Swimming carnival. They both did a marvellous job swimming and we should be very proud of their results.

Friday Cooking/Computer lessons
Friday cooking has started with gusto with students enjoying the fun of making pancakes. The class has been split for the cooking session with the other half of the class working on improving their computer skills. Touch typing will also be included in the computer lessons. Students look forward to being part of these very valuable life skill lessons.

Swimming carnival
Congratulations to Abby and Angela who represented Jerangle at the District Swimming Carnival last week. They were proud to be swimming at such a high level and were happy with their results.

P & C Meeting
The next meeting is planned for 29th April (next Term) in the school library. It will start at 6:30pm sharp and will be the meeting only without the dinner included.
Transition to High School
Last Friday, the 27/2/15, I went to Cooma Public for the day. First I was shown around the school by a few of the other year 6 girls. I’m in a class of 29 and 20 of them are girls. My friends are Alkamene and Lexus and my teacher is Mr Smith. I was given 2 books and maths mate sheets. After recess we did 2 laps of the school for cross country practise. In the afternoon we had an assembly and I caught the bus home.
I will be going to Cooma Public every Friday fortnight and look forward to making some friends there. By Angela

P & C Rogaine
On the weekend the P & C were catering for a Rogaine. There were 300+ people participating in the Rogaine, and it was held at John Moore’s property. A Rogaine is a sport where there are check points (controls) that are all worth different amounts of points. People have to run or walk to the controls which are labelled on the map. The highest scoring ones are always hard to get to. There are lots of different time limits such as 3 hours, 5 hours, 10 hours, 15 and 24 hours. Normally the longer the time the more spread out the controls are. There was food left over for the students on Monday. By Tom and Angus

Dad’s Day
Dads Day is coming to Jerangle. We have new and old activity’s (we can’t tell you what they are) The date is 18th March. (It is strictly dads only) We are all looking forward to meeting every dad at school to see how school has/hasn’t changed. By TOM and ADAM

Mathletics
Congratulations to Darcy, Abby and Angela for being awarded the Mathletics awards for 2014. All students have now been given a login and password for the web based maths program called Mathletics. This program can be used at home just like Reading Eggs. Please contact the school if you have any questions regarding this fantastic computer based learning program.
Merit Awards

Congratulations to all those who have been working hard to achieve Merit Awards and Certificates. This week we celebrate the achievements of the following members of the school.

20th February 2015

- Merit Certificate: Darcy Hall
- Sport Award: Abby Hall
- Reading Award: Ben Hopkins
- Work of the Week: Bailey Woolasten

27th February 2015

- Merit Certificate: Abby Hall
- Sport Award: Adam Constance
- Reading Award: Jess Walker
- Work of the Week: Greta Rowlands
